

Dear Parent/Guardian,

*Aspendale Gardens Primary School* is looking forward to another fantastic year of teaching and learning and would like to advise you of *Aspendale Gardens Primary School's* voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether it be for your voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences, enhanced digital learning opportunities, the maintenance of our beautiful grounds, and additional assistance for children in the classroom amongst numerous other things.

For further information on the Department's Parent Payments Policy please see a one-page overview below.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule on Compass for an indication of contributions for your child/ren.

#### CURRICULUM CONTRIBUTIONS

Costs of material including, stationery items, cooking ingredients, online subscriptions to learning activities and art supplies used in the classroom, expendable materials used for science and technology and all other specialist classes.

#### OTHER CONTRIBUTIONS – FOR NON-CURRICULUM ITEMS AND ACTIVITIES

The Aspendale Gardens Primary School Council is extremely appreciative of the generosity of parents who are able to support the school through the payment of the non-curriculum items. They help AGPS provide greater wellbeing support, first aid and hygiene costs, enhanced students support and our building and grounds maintenance.

#### EXTRA CURRICULAR ITEMS AND ACTIVITIES

AGPS offers a range of items and activities that enhance and broaden the schooling experience of students that are above and beyond what the school provides in order to deliver the curriculum. These are provided on a user-pays basis. The students at AGPS have the option of attending swimming and sporting programs, school camps and other excursion and incursion activities.

To ensure accurate budgeting for the school year, we would appreciate payment of your contribution by **Friday 16<sup>th</sup> February, 2024**. Payments can be made via Compass or at the school office.

Yours sincerely,

**Jonathan Baker**  
Acting Principal
