CANTEEN INFORMATION

Lunch orders can be quickly and easily ordered via the Qkr! App. Ordering via Qkr! eliminates the need to find loose change or send cash with your child to school as your lunch order is prepaid online.

Lunches can still be ordered by sending a paper bag with your child's name, class, order & money. (If no bag is provided, please add an additional 10c per bag).

Qkr! Lunch Orders must be placed before 9.00am or they will not be received that day.

*When lunch is ordered on Qkr! there is no need to send a paper bag or a copy of your order, the canteen will receive the order and a bag will be provided for your child's lunch.

1. Download the Qkr! by Mastercard app on your Android phone, iPhone or iPad.

If you do not get to this screen we will not receive your order, if your child is placing their own order on the app, please check that they have reached this final screen or their order will not go through.

**If your child has allergies or intolerances and you would like to know the ingredients in the food sold at the canteen, please don't hesitate to come in and see us on a Thursday or Friday. Alternatively, if they have a particular food at home that they are able to eat (e.g. a gluten free pie) we are happy to heat it up & pop it in a lunch order bag so they do not feel excluded from being able to have a lunch order.*
