

Dear parent/guardian,

Aspendale Gardens Primary School is looking forward to another great year of teaching and learning and would like to advise you of *Aspendale Gardens Primary School's* voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether it be for your voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences, enhanced digital learning opportunities, the maintenance of our beautiful grounds, and additional assistance for children in the classroom amongst numerous other things.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Cheryl Osborne
